Dear Policy Holder,

FUTURA FAMILY FUNERAL SCHEME: RISK PREMIUM RATE REVISION

We wish to inform you that the insurer, Sanlam Developing Markets, has completed their revision of scheme rates and general underwriting conditions. Their underlying rates have been increased **with effect from 01 December 2021 (thus premium payable for the month of December and onwards)**. This will effectively lead to an increase in the premium you pay. You will receive a SMS message shortly to inform you of the new premium payable for your December 2021 and thereafter premiums.

Please do not hesitate to contact us on funeral@futura.co.za should you require further information in this regard. Should you wish to revise your policy options to better suit your financial needs please contact your Futura agent for assistance.
